

# AQUAMAX™

## Timber Stain

### Water Based Linseed Oil

Innovative, water based, linseed oil penetrating timber stain suitable for:

Timber & glass • Masonry • Blends • Bricks & parapets • New & weathered timber • Bare & previously stained timber

**AQUAMAX'S Linseed Oil Feeds the timber!**

**AQUAMAX CLEAR BASE** This is primarily used for oiling the AQUAMAX colours when more transparency is required.

CS201 (2021) is also used as a primer for high absorbency timber for weathering.
